

Intergovernmental Consultations on the Preparatory Process of the Summit of the Future

Tentative Timetable for Roadmap (as of Feb 8)

February – September 2023

This roadmap focuses on meetings that the co-facilitators for the intergovernmental consultations on the preparatory process of the Summit of the Future plan to organize in preparation for the Ministerial Meeting, currently scheduled for 18 September 2023. The informal consultations are oriented towards, but not limited to, the Policy Briefs that will be published by the Secretary-General in the coming months. As co-facilitators, we will aim to ensure that there is sufficient time for Member States to absorb the proposals in each Policy Brief before an informal consultation is scheduled. The publication date of each Policy Brief is tentative and remains subject to change. Please note that meetings and consultations arranged by other co-facilitators that are related to the Summit of the Future are not reflected in this roadmap.
